Appeals Policy

1. Introduction

United Centre of Excellence (UCE) is committed to providing a high-quality learning experience for all their apprentices and undertake to treat each apprentice fairly and consistently. Fairness to all employers and apprentices is central to this policy and we are committed to quality assurance processes that are based on impartial, evidence-based judgments. However, all employers and apprentices are entitled to enquire about, or appeal against, assessment or other decisions.

2. Purpose

The purpose of this policy is to make sure that employers and apprentices know how they can enquire about EPA, or appeal against an outcome of an EPA. The policy is also intended for use by UCE staff to ensure that all enquiries about results and appeals are dealt with consistently.

3. Definitions

Definition	Detail
Enquiries	Enquiries from an apprentice / employer that is not satisfied with an assessment result that has been set and marked by UCE
Appeal	<ul style="list-style-type: none">• Appeal of the final grading decision awarded by UCE• Appeal of results on the basis that UCE did not apply procedures consistently or that procedures were not followed properly and fairly• Appeals from employers or apprentices relating to an UCE decision to decline a request to make reasonable adjustments• Appeal from employers that disagree with the outcome(s) from assessors• Appeals from employer or apprentices in relation to the outcome of an investigation into a report of malpractice and / or maladministration.• Appeals from employer or apprentice of bias or discrimination in the assessment and grading

4. Out of Scope for Appeal

The following **cannot** be appealed:

- Appeals submitted more than 30 working days after the key date
 - Dependent on the nature of the appeal, the key date may be the date at which an employer's internal appeals procedure concluded, or when a UCE auditor reported their decision, or when a final grade decision was reached
- Events / activities that took place before UCE received the apprentice registration details
- Anything that should be dealt with under an employer's own disciplinary or grievance procedure
- Anything involving an awarding organisation of regulated qualifications that have been delivered as part of the apprenticeship (either mandatory or non- mandatory)
- Anything involving the apprenticeship on-programme delivery and activities.

5. The Process

Where an employer believes that either they or an apprentice has grounds for an enquiry or an appeal to UCE, they should submit it in writing and addressed to United Centre of Excellence Appeals, 26 Royal Scot Road, Pride Park, Derby. DE24 8AJ or via email to info@UCE.org.uk with "Appeals" in the email header

All initial review and / or appeals will be acknowledged within three working days. Employers and apprentices have 30 working days from the key date to lodge an appeal with UCE.

If an employer appeals on behalf of the apprentice the employer must ensure that it has obtained the written permission of the apprentice(s) concerned as results can go down as well as up as a result of an investigation i.e. a pass mark could go down to a fail mark.

When submitting an appeal, relevant supporting information must be supplied such as:

- Employer name, address and contact details
- Apprentice's name and unique learner number
- Key date(s) the employer or the apprentice received notification of a decision
- Date an assessment took place
- Whether a remark or an administrative check is required
- Title of the apprenticeship affected
- A clear statement of the grounds for the enquiry and / or appeal i.e. full details of the nature of the appeal including any evidence that is relevant to the appeal and, where an employer internal appeal has taken place, the outcome of any investigation carried out relating to the issue and the

documentation relating to that appeal (in the case of an assessment appeal, this may include the apprentice's work, records of assessment, internal quality assurance and the internal appeal)

- The appellants name, position and signature

6. Enquiry Handling

When an apprentice's knowledge assessment results vary considerably from the result they expect, the apprentice may make an enquiry about the assessment result to UCE. An enquiry about results is a formal request, in writing, for a review of a knowledge assessment result.

An employer may make an enquiry about a knowledge assessment result on behalf of one or more apprentices. Apprentices should discuss their case with their employer before a request is made. It is only possible to request an enquiry for an assessment that is marked by UCE.

A request can be made either for an administration check, or for a re-mark. A fixed fee is charged when a request is made for this service. The fee is refunded if the outcome of the test or assessment is changed as a result of the enquiry.

7. Appeals Handling

On receipt of the appeal, the responsible officer (UCE Operation Director) will convene a panel made up of two senior members of UCE staff not involved in the circumstances surrounding the appeal, and that have no personal interest in the outcome of the review or appeal decision.

The panel will undertake an initial assessment of the potential appeal to ensure the application is complete within the scope of the policy, and to ascertain if the issue can be resolved before it goes to a formal appeal. A UCE associate who is independent of the matter under review may provide specialist knowledge input to the panel. If the request falls within the scope of the policy the appellant will be notified within five working days.

The panel will consider the evidence submitted and, if necessary, request additional information be provided before reaching its conclusion. The panel will consider whether the required procedures were followed correctly and whether they were applied fairly, consistently and properly in arriving at judgements. The panel will recommend either the appeal is:

- Upheld; or
- Not upheld

The recommendation will be confirmed to the appellant within 10 working days.

If the review upholds the appeal, the apprentice or employer will be advised of any actions required to conclude matters and any fees will be refunded

If the review does not uphold the appeal, the apprentice or employer will be told that they may make a formal appeal to the Independent Appeal Panel

8. Independent Appeals Procedure

If an appeal has not been upheld at the review stage, the appellant may request in writing that an appeal be passed to UCE's Independent Appeal Panel for decision. The written request to UCE responsible officer (UCE Operations Director) must be made within 10 working days of the notification of the review, re-mark, appeal or administrative check decision.

The terms of reference for the Independent Appeal Panel can be found at the rear of this policy in Appendix 2. All requests will be acknowledged within 4 working days of receipt.

UCE's Independent Appeal Panel is made up of a member of the senior leadership team, a subject specialist that has not been involved in the original appeal and an independent person that is not employed by UCE, or in any other way connected to the organisation that has the appropriate knowledge and skills to make a decision on the subject matter.

The panel will convene within 10 working days of the request being received by the responsible officer. The panel will evaluate all the evidence submitted and decide if UCE has applied the procedures fairly, appropriately and consistently in line with UCE policy and recommend either the appeal is:

- Upheld; or
- Not upheld

The decision of the Independent Appeal Panel is final. All decisions will be communicated to the Board.

9. Notification of Outcome of Appeal

The apprentice or employer will receive formal notification of the outcome within 20 working days of the start of the independent appeal process:

- If the appeal is upheld, the apprentice or employer will be told of any actions required to conclude

matters and fees will be refunded

- If the appeal is not upheld the apprentice or employer will be given the reasons in a report
- The employer will be notified of any subsequent actions

All initial reviews, appeals and subsequent outcomes are reported to UCE Governing Body. The appeal and its outcome will be used to inform our self-assessment and self-evaluation activities and will feedback into our EPA development and review process where necessary.
